### +ANNOUNCEMENTS+

For Circuit Judge.  
We are authorized to announce Hon. D. D. SUBLETT, of Magoffin County, as a candidate for the office of Judge of the Twenty-third Judicial District, subject to the action of the Democratic party.

For Commonwealth's Attorney.  
We are authorized to announce A. HOWARD STAMPER as a candidate for Commonwealth's Attorney Twenty-third Judicial District, subject to action of the Democratic Party.

THE Hazel Green Oil and Gas Co., having failed to find oil after going to the depth of 1600 feet, decided on Monday to cap and confine the superior flow of gas which they did find, and at once begin boring in a nearby spot for oil. Harlan Stamper, of Campton, representing the company that is doing the drilling, at once closed a trade for the gas for fuel purposes to drill well No. 2, and the home company ordered the pipe to supply it. Just as soon, therefore, as this piping arrives and the derrick can be torn down and rebuilt work will begin on well No. 2, and that will probably not be later than this time next week. Should the home company be able to dispose of the gas it now controls for domestic or manufacturing purposes it is well to the good several thousand dollars. At any rate there is just now no reason for alarm, nor for the cessation of operations, unless, indeed, it be lack of funds, for they are surely ahead of the game. Then, if they again fail to find the much coveted oil, but in the meantime produce another gas well of equal volume to the present, they will without doubt be able to make a dickie with the authorities of Mt. Sterling, who, it is reasonable to suppose would be only too glad to secure such a supply of natural gas for light and fuel as two such wells would produce. We glory in their spunk, and bid them God speed in energy and ambition, because we believe the bowels of this beloved land are full of richest treasure, and just such enterprise as these men are displaying is the kind that will eventually unlock that great storehouse. We believe firmly in that trite old saying, "Nothing risked, nothing gained," and again we say God speed, gentlemen of the Hazel Green Oil and Gas Co., may your every effort be crowned with rich

reward. Listen not to doubting Thomases but hearken to THE HERALD, and your faith will bear abundant fruit.

SINCE the memory of man runneth back to the early age of politics no witness has yet been found who could cite the time or place when the Hon. David D. Sublett, of Salversville, Magoffin county, failed to answer roll call when duty called him. In sunshine and in rain, in its hour of peril or period of prosperity, he has always been found valiently working for the Democratic party and its nominees. In brief, he has spent a lifetime helping to serve out the loaves and fishes to the favored few, occasionally himself catching a crumb that fell from a well-laden table. Now he thinks the time has come for some of the younger men to serve that he may have a seat at the banquet board. He asks the Democrats of this Twenty-third Judicial District to honor him with the nomination for Circuit Judge and in return he promises to carry the banner of Democracy to victory in the district, and once he is clothed with the ermine of office he pledges himself to perform the duties pertaining to the position without fear or favor. Dave Sublett is too well known to need any introduction at our hands and we know the Democratic party will do him right.

### Nine Feet of Cannel Coal.

Polk McClure, who lives between Maytown and Ezel, on Blackwater, last week accidentally discovered a vein of cannel coal something over nine feet thick. Billy Ward and Johnny Mannin dug a well for him which is 61 feet deep, the last nine feet being in a vein of solid cannel coal. Having an abundance of water at that depth operations were suspended for fear the water should disappear, and how much thicker the coal may be is conjecture, of course. Whether Mr. McClure will sink a shaft near by to prove the thickness of the coal and mine it is a problem he has not yet solved. But with a fortune so near at hand it looks like he ought to act speedily.

### What Is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly re-adjusts this. It's gentle, yet thorough. Only 25c at all druggists.

Mrs. John D. Henry, of Ezel, visited the family of Charley Sample, on Lacy creek, from Monday until Tuesday morning, and Miss Nancy, who is sick, was better on Tuesday morning.

### Humors Come to the Surface

In pimples and other eruptions, but don't run themselves all off that way. They mostly remain in the system—that's bad. Hood's Sarsaparilla removes them, wards off danger, makes good health sure. Take it.
